DOMESTIC SECTION 214 APPLICATION FILED FOR CONSENT TO TRANSFER ASSETS OF ONE CALL COMMUNICATIONS, INC. TO OCMC, INC.

STREAMLINED PLEADING CYCLE ESTABLISHED

WC Docket No. 02-231

On July 26, 2002, One Call Communications, Inc. ("One Call") and OCMC, Inc. ("OCMC"), pursuant to section 214 of the Communications Act of 1934, as amended, 47 U.S.C. § 214 (the "Act"), filed an application for approval to transfer control of the blanket domestic section 214 authorization held by One Call to OCMC.

Applicants assert that this application is subject to streamlined processing under section 63.03(b)(1)(i) of the Commission's rules because both applicants are non-facilities-based carriers.¹ Applicants have also filed applications to assign One Call's international global resale authorizations and two local multipoint distribution system licenses to OCMC.²

One Call, which is located and headquartered in Indiana, provides operator services through its division Opticom for both public and private payphones, long distance services and Internet operating services and support. OCMC, also located and headquartered in Indiana, was formed for the purpose of acquiring various assets of One Call, including its operator services.

On January 31, 2002, OCMC and various entities holding an interest in One Call executed an Asset Purchase Agreement ("Agreement"). Pursuant to the Agreement, after obtaining the required federal and state regulatory approvals, OCMC will acquire certain telecommunications assets of One Call and assume the operation, management and provision of One Call's telecommunications services. OCMC's acquisition of One Call's assets will provide additional investment for the development and provision of telecommunications services.

¹ 47 C.F.R. section 63.03(b)(1)(i).

² See ULS File No. 0000935787.

Monument Capital Partners 2, L.P. ("Monument 2"), a limited partnership organized under the laws of Delaware, located at 111 Monument Circle, Suite 600, Indianapolis, Indiana, 46204, owns approximately a 55 percent controlling interest in OCMC. Monument 2 is a private equity fund that invests in manufacturing, service and distribution companies located primarily in the Midwest.

The Applicants assert that the proposed transaction will yield affirmative public interest benefits. Applicants state that grant of the application will ensure a seamless transition of One Call's telecommunications subscriber base to OCMC without interruption of service. Furthermore, Applicants state that OCMC's acquisition of One Call's assets will provide additional investment (from Monument 2, IV Partners and other interest holders) that will allow OCMC to develop and offer additional telecommunications services. OCMC states it will also support the goals of promoting innovative services, increased customer choice, and efficient utilization of telecommunications resources through the provision of high-quality, competitive communications services.
